

**NOTICE OF POLLING PLACE CHANGES FOR THE GENERAL ELECTION
TO BE HELD NOVEMBER 3, 2020**

Eight polling locations in Nassau County have changed for the 2020 General Election. New Voter Information Cards were mailed to every registered voter in Nassau County in July. If you did not receive your new card or if corrections are needed, please contact the Supervisor of Elections office to update your voter record or visit www.VoteNassau.com.

IT IS VERY IMPORTANT that all voters immediately review their new Voter Information Card to make sure *their* address is correct in order to receive the correct ballot style and, if voting in person on Election Day, to know where their polling place is located. Note: Voters in Precinct 202 will be sent a new Voter Information Card in September as their polling place has changed back to the American Beach Community Center.

For directions to your polling place, or to view your sample ballot, visit www.VoteNassau.com and click *My Voter Information* or call our office for assistance.

On Election Day, voters **MUST** vote at their assigned precinct and polling place. FS 101.045 "A person is not permitted to vote in any election precinct or district other than the one in which the person has his or her legal residence and in which the person is registered."
