

NOTICE OF VOTER REGISTRATION DEADLINE FOR THE GENERAL ELECTION TO BE HELD ON NOVEMBER 3, 2020

Are you registered to vote?

Applications for **new** voter registrations must be submitted by **October 5, 2020** (registration deadline) to be eligible to vote in the **General Election** to be held on November 3, 2020.

Florida Voter Registration Applications are available on our website, as well as statewide supervisor of elections offices, driver license offices, public libraries, and other locations. To access an application online, or to view a full list of agencies which provide applications, please visit www.VoteNassau.com or contact our office for assistance.

Are your signature and address current in your voter registration record?

It is always important to keep a current address and signature on file with our office. An outdated address could delay the delivery of your ballot, as well as other important election materials. Your signature is used to verify vote by mail ballots, provisional ballots, and petitions. An outdated signature that varies significantly from your current signature may result in those items not being accepted. Update your signature by completing a Florida Voter Registration Application or contact our office for more information.

Are you planning ahead in case of an emergency?

Supervisors of Elections are in regular communications with the Department of State planning ahead for elections in case of emergencies such as hurricanes, power outages, pandemics, a shortage of Election Workers and other emergencies that may arise during an election. Polling places may be combined which could cause long lines during Early Voting or on Election Day especially as we follow CDC guidelines involving social distancing. **Voting by Mail is easy, convenient, safe and there are no lines.** You can request your ballot be mailed and track it to ensure it has been received and will be counted. **Vote by Mail Drop Boxes** are available at each Early Voting Site during early voting hours only. Additionally, a Vote by Mail Drop Box is located outside the Supervisor of Elections Office by the flagpole 24 hours a day until 7:00 p.m. on November 3, 2020. Visit our website or call our office for more information.
