

Voting System Post-Election Audit Report

County: Nassau Date of Election: 04-13-2021
Type of Audit (check applicable box): Manual Automated Independent
Precinct Number(s): 100%
Race (if Manual Audit): 100%

- Overall accuracy of the audit:
Accurate
- Description of any problems or discrepancies encountered:
The audit results indicated three discrepancies.
- Likely cause of such problems or discrepancies:
The variances have been narrowed down to two precincts and two ballots. One voter marked the ballot very lightly and was only detected by the independent audit system and not the high speed tabulator. The second voter erased and marked the ballot a second time. In this instance the independent audit system marked as an overvote. +
- Recommended corrective action with respect to avoiding or mitigating such circumstances in future elections:
Educate voters to use a pen when marking ballots and to fully color in the oval.

Check applicable box and sign below:

- We hereby certify that the report of the voting system audit performed for the election is accurate and that attached are precinct summary reports for each precinct audited.
- We hereby certify that a voting system audit was not done because a manual recount was conducted under s. 102.166, Florida Statutes.
