Got to see Hiroshima ground zero; crossed paths with 2 cousins and several friends met at different times in my career; Crossed paths at different points and still email them.

Why do you believe it is important for young people to register and vote?

Instead of complaining about who gets elected, get out, register and vote. If any state knows, Florida does EVERY VOTE COUNTS!! Study what each candidate claims they will do if elected and vote for the one that has promised to do what you believe in.
