**Highlights of Military Service:**

Since leaving the military, I have had the honor of being a part of the Honor Guard to ensure full military honors are given to all deceased veterans. I have received 2nd place for my community service out of 128 posts and ALL service officers in Florida.

**Why do you believe it is important for young people to register and vote?**

Freedom is not free and every generation has to serve to protect freedom. Each generation has to pay their price. When you compare us to other countries, you realize how important it is to vote and it is a privilege and should be taken seriously.
